EDUCATION

Parul University　　　　　　　　　　　　　　　　　　　　　　　Vadodara, Gujarat
Bachelor of Computer Science　　　　　　　　　　　　　　　　　*May 2024 – May 2028*

Central Academy　　　　　　　　　　　　　　　　　　　　　　　Ranchi, Jharkhand
Physics, Chemistry, Mathematics (PCM)　　　　　　　　　　　*June 2022 – April 2024*

PROJECTS

Vyana | TypeScript, React, Next.js, Prisma, Tailwind　　　　July 2025 – August 2025
– Developed a tourism platform for Jharkhand with multi-role support for tourists, guides, sellers, and admins.
– Implemented real-time guide tracking with interactive maps and smart itinerary planning.
– Built secure 3-tier authentication including phone, Aadhaar, and onsite verification.
– Designed admin dashboards for analytics and government decision-making support.
– Promoted local artisans, handicrafts, and tribal communities.

CampusSphere | React, Node.js, Express, MongoDB　　　　May 2025 – June 2025
– Built a full-stack campus networking platform connecting students, alumni, and faculty.
– Implemented JWT authentication with role-based access control.
– Created opportunity listings, referrals, and event management modules.
– Developed responsive UI using React and Tailwind CSS.
– Integrated file uploads, notifications, and real-time updates.

TECHNICAL SKILLS

Languages: Java, Python, C, SQL, JavaScript, TypeScript
Frontend: HTML, CSS, React.js, Next.js, Tailwind CSS, Framer Motion
Backend: Node.js, Express.js
Databases: MySQL, PostgreSQL, MongoDB
Technologies: Flask, Django, TensorFlow, Keras, Pandas, NumPy
CS Fundamentals: OOPs, DBMS, Operating Systems

CERTIFICATIONS

– **Cisco**: Basic Operating System Certification
– **IBM**: Python Programming Certification
– **Udemy**: Git and GitHub Certification
– **Udemy**: JavaScript Certification

ACHIEVEMENTS

– Active problem solver on Codeforces, CodeChef, LeetCode, and Codolio platforms.
– Solved numerous algorithmic and data-structure problems through regular practice.
